Sponsored "World Cup Shootout"

A sponsored penalty shootout to help the school and the Scheme raise much needed funds.

Every pupil can participate in the event and will be given a sponsorship form which can be made either per shot scored or just a set amount for taking part in the shoot-out.

Once all the money is raised NTFC FITC split the costs 50/50 between the school and themselves.

All pupils that are sponsored will each take 5 penalties against the Northampton Town FITC "world cup shootout" goal with the aim to successfully score as many points as possible.

Pupils who are not sponsored will not have to feel left out as they will still be able to take part and are limited to 2 shots each.

The pupil from each year who raises the most money will receive a Northampton Town FC medal, whilst the school who raises the most money at the end of the academic year will win a free 1 hour coaching session on the training pitch here at Sixfields Stadium.

If you are interested in bringing the Northampton Town "World Cup Shootout" to your school and raising much needed funds for your School and the Scheme contact Lee Garlick on **(01604) 683766** or email **Lee.Garlick@ntfc.tv**
